‘Ahopanilolo Technical Institute

‘Ahopanilolo Technical Institute is situated on the island of Tongatapu, which is located in the Tonga group of islands in the South Pacific. It is an education facility for Tongans who would like to study catering, tourism, fashion, art and aged care certificates.

Last year, Mr O'Regan, head teacher of the CAPA Faculty made contact with this college and even had the opportunity to work with a few teachers for a short period of time while he visited Tonga. With this contact being made, Bowral High School was able to donate items to the college such as laptops, art materials and money to support a student in their studies in 2014. The student that Bowral High raised money to support is Miss Mariska Koso.

The college is very grateful for all the support that has been given by Bowral High and recently sent a letter of thanks and appreciation.

Bowral High is still raising money for further projects at the college, so if you would like to donate, please contact Mr O'Regan for more information.
Reforms to P&C Federation
The NSW Parliament has introduced legislation to reform the NSW Federation of Parent and Citizens Associations, which has suspended operation pending Supreme Court action. While these reforms will not affect the day-to-day operation of individual school P&Cs, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of school P&C Associations.

Each school’s P&C Association will be asked to vote for councillors and delegates who will represent their electorate at the Federation’s Annual General Meeting and councillors who will serve on the Federation’s Board of Management. More information will be available on the Department’s website at http://www.schools.nsw.edu.au/gotoschool/a-z/involvement.php.

Zone Cross Country
Zone Cross Country was held on Friday 16 May at Mulwaree High School. In excellent conditions, our students performed creditably and finished 3rd overall out of eight schools. Standout performers on the day included Tayla Croudson - 16 years girls champion, Daniel Leahy - 16 years boys champion, Eligh Morris - 15 years boys champion and Toby Croudson - 14 years boys champion. Well done to those individual age champions.

In the teams event we had one champion age the, the 16 yeas boys team, consisting of Daniel Leahy, Matthew Vine, Blake Friedrich and Bailey Wyszynski.

Thank you to Mr Cox for his help on the day and all the students who participated on the day. Out of 59 Bowral High School runners on the day, 21 Bowral High students qualified and will go on to run at the Regional Carnival at Cambewarra on Friday 30 May.

We wish them good luck.

Mr Adam Kich
PDHPE Faculty
