Cupcake fundraiser a success!

Friday 15 August saw a fantastic Bake Sale take place in the quad in support of Caleb Jones’ mission to raise funds for “Make-a-Wish” foundation. Recently the foundation has supported his family by providing his nephew with an exciting party including a petting zoo. Caleb ran in the City to Surf for the Make-a-Wish foundation and his family would like to pay it forward for another family in need.

Thank you to all the students who bought from the stall of amazing treats made by the Jones family and friends, you helped raise nearly $350.

Caleb and his year 11 helpers.

Two very excited customers, Emma Kelly and Maddie Luscombe.

Congratulations Caleb on your efforts, we are sure that it is appreciated.

Nicole Reay - Year 8 Advisor

UOW New Summer Master Class Subjects!

This summer the University of Wollongong are expanding the summer Master Class Program and are now offering five new subjects across all five UOW Faculties. Students starting Year 12 in Term 4 of this year, from schools across the Illawarra, South Coast, Southern Highlands and Southern Sydney Regions are invited to apply.

The university subject will support their HSC marks, establish connections with Faculty staff and reward students with 6 unspecified credit points towards their UOW degree and guarantee them an Early Admissions Interview.

Over three weeks in January 2015, students will be enrolled as a university student and will take part in lectures, tutorials and master classes. To apply for the summer Master Class Course, students will be required to complete an online application form and applications open on Monday 1 September. Information sessions will be running at schools in the first three weeks of September.

Your Careers Advisor (Mrs Beasley) will be keeping you posted on dates soon!
HSC Visual Art Body of Work Exhibition
We are very excited to announce the opening of the exhibition of our year 12 HSC students visual art major works at the Milk Factory Gallery, Bowral, at 3pm in Bowral on Saturday 30 August.
This exhibition will run for one week so please take some time to go and have a look and or come to the opening on Saturday. All most welcome.
The students and staff have worked very hard to achieve the finalisation of their works and it is a great opportunity to have them publicly on display. Our thanks go to the P&C for assisting us in making this possible.

Student ID cards…. A new sign-in system
Students are now able to use their student ID cards (supplied by our school photographer) to sign in at the front office. It would be very helpful if students could carry their ID cards at all times, and use them when signing in late at the Front Office. This does not change the need for students to arrive on time to school, to bring notes to explain arriving late, leaving early etc.

Some Calendar Dates for Term 3 2014
